

MIDLAND GARAGE DOOR MFG. CO.

# 2" STEEL OVERLAY

AVAILABLE IN OUR 2" THERMO-STEEL (TS) FLUSH DESIGN  
WITH 20 OVERLAY DESIGN OPTIONS

Midland's 2" Overlay Thermo-Steel garage door **combines the strength and energy efficiency of our 2" Thermo-Steel garage door with the added beauty and charm of our traditional Carriage House style designs.** The 2" Thermo-Steel garage door is over-layered with our weather resistant wood composite trim boards, to achieve a truly distinctive design and long-term durability. Every component that goes into our 2" Overlay Thermo-Steel garage door has been put through a rigorous testing process to ensure years of worry-free use.

**You can choose from any of our 20 custom design options.** Midland's 2" Thermo-Steel base door is available in all seven Midland color choices, (see color chart), and the composite overlay boards come primed and finished white from the factory. Smart Trim® overlay boards can be custom painted by the homeowner to complement any color home.

When you chose a Midland Garage Door you can be confident that you have chosen the **best garage door that money can buy!**

Many color and window design options are available. **Please visit your Midland Garage Door authorized dealer for details.**  
The above 2" Overlay Thermo-Steel design is shown with our white color and our #21 overlay design option.

# THE SECRET BEHIND GOOD LOOKS!

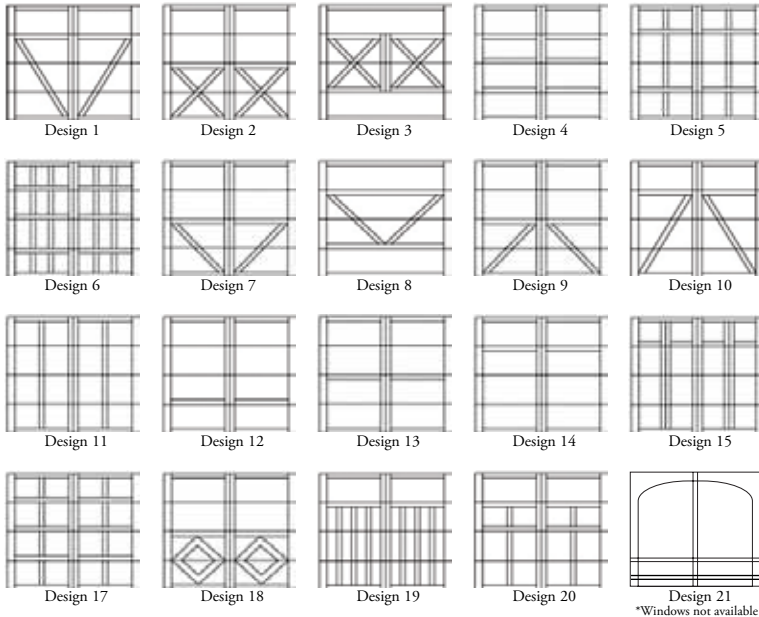

Next to your front entry door, your garage door creates the first impression of your home. All of our Midland Garage Doors are available in a wide range of color choices and window design options that coordinate well with all exterior finishes.

BE CONFIDENT. YOU'VE CHOSEN THE BEST!
