

MIDLAND GARAGE DOOR MFG. CO.
SERIES R-26 RIBBED

Midland's Series R-26 residential Ribbed Steel garage door provides a time proven traditional ribbed design along with rugged and durable features. Our roll-formed ribbed garage door provides superior strength and reliability for years to come. With its attractive ribbed design it ensures an extremely strong, low maintenance, and robust garage door. Our R-26 Ribbed Steel garage door design has been around for many years and will continue to be a favorite among homeowners. Commercial grade bottom seal (astragal) along with ultra quiet rollers and Midland's smooth torsion spring system makes Midland the clear choice of all garage doors. When you choose a Midland garage door you can be confident that you have chosen the **best garage door that money can buy!**

Optional color and window design options are available. **Please visit your Midland Garage Door authorized dealer for details.**
The above Series R-26 Ribbed design is shown with our White color design option.
