

MIDLAND GARAGE DOOR MFG. CO.
VALUCRAFT

Midland's Valucraft Raised Steel Panel garage door offers the perfect combination of beauty and economy; with many of the features found in models that are far more expensive. Chances are that you grew up in a home that had a raised steel panel garage door, and there is a reason for that. The Raised Steel Panel garage door has become an American classic in its own right. The Raised Steel Panel garage door has a timeless design that has proven itself, year after year, as a sturdy and reliable garage door. The Valucraft Raised Steel Panel garage door offers a crisp clean raised steel panel design along with the depth and richness of our embossed pebble texture finish. When you choose a Midland garage door you can be confident that you have chosen the **best garage door that money can buy!**

Optional color and window design options are available. **Please visit your Midland Garage Door authorized dealer for details.**
The above Valucraft design is shown with our Almond color design and our Cascade window design option.
