FEDERAL ENERGY TAX CREDIT DEALER INFORMATION:

- ∞ The 30% Federal Income Tax credit applies to energy saving improvements including eligible building envelope components.
- ∞ To be eligible the garage door must have an installed U-factor equal to or less than 0.30 and the garage door must be installed with a perimeter seal, such as vinyl door stop on the sides and top and bottom astragal.
- ∞ The following Midland Garage Door models are eligible:

Standard Raised Panel-----2” Thermo-Steel

Classic Panel-----2” Thermo-Steel

Carriage House-----2” Thermo-Steel

Ranch Panel-----2” Thermo-Steel

1 3/8” Panel ----- 1 3/8” Thermo-Steel

Steel Overlay Series

THE GARAGE DOOR MAY INCLUDE WINDOWS USING OUR ½” INSULATED GLASS.

- ∞ The maximum credit for the taxpayer is \$1,500 under this act for all energy saving improvements. Taxpayers that used their full \$1,500 credit in prior years are no longer eligible .
- ∞ The credit only applies to the cost of the product (it does not apply to the cost of installation)
- ∞ The garage door must be installed in an existing home which is the taxpayer’s primary residence.
- ∞ The garage door must be installed in an insulated garage.
- ∞ The garage door must be installed between January 1, 2009 and December 31, 2010.
- ∞ The garage door must be expected to remain in service for at least 5 years.
- ∞ The taxpayer must complete Midland Garage Door’s **ENERGY TAX CREDIT CERTIFICATION** form and retain the form with personal tax records. The form should not be filed with the tax return.

2009-2010 ENERGY TAX CREDIT CERTIFICATION

Midland Garage Door Manufacturing company certifies that the following Midland garage door models are eligible building envelope components (in all climate zones) which qualify for a federal tax credit under the Energy Improvement and Extensions Act of 2008:

Standard Raised Panel-----2” Thermo-Steel
Classic Panel-----2” Thermo-Steel
Carriage House-----2” Thermo-Steel
Ranch Panel-----2” Thermo-Steel
1 3/8” Panel ----- 1 3/8” Thermo-Steel
Steel Overlay Series

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Frank Koudela, Chief Operating Officer
Midland Garage Door Manufacturing Company
