

Elegance and distinctive style — those qualities define Midland's Classic Panel garage door. The door's small vertical panels add a touch of colonial charm to any home. You get the proven performance of Midland's steel garage doors with the distinctive, traditional look you've been wanting.

Our Classic Panel incorporates the historical details you love with the best mix of Old World charm and modern-day engineering. Choose the Classic Panel and you'll receive modern dependability with a sophisticated design that will be the envy of the neighborhood for years to come.

The Art & Science of Your Classic Panel Door

Add historical charm to your home with Midland's Classic Panel design. Make it uniquely yours by choosing from a variety of color, window and hardware choices.
