

Smooth Overlay

V-Groove Overlay

Our ThermoSteel™ Overlays give the classic look of real wood with the strength and energy efficiency of a steel door. Each door is meticulously handcrafted to your specifications by our skilled team. Charm will radiate from your home with Overlay doors.

With three distinctive overlay options, endless design choices, and even personal customization, there are countless possibilities to distinguish your door from the rest.

The Art & Science of Your Smooth & V-Groove Overlay Door

Our ThermoSteel™ Overlays leave the creativity in your hands. Choose from 20 different Midland designs, or, for ultimate customization, design your own. We offer six overlay color options, or request your door to be primed for you to paint the color of your choice.
